Post Office Box 543
Bowling Green, Virginia 22427

July 2015

Dear Parents and Guardians,

Welcome and thank you for your interest in Beginnings Preschool. The Board and staff are very excited about the coming school year. We are planning many new and fun activities for your children. Returning staff are Cathy Jo Gray and Jenn Thomas, and I am joining them as a teacher/director.

Beginnings' goal is to provide a nurturing and positive learning environment that is developmentally appropriate in preparation for kindergarten. The program will encourage hands-on experiences with a variety of materials and creativity to help build a foundation for later abstract thinking. We will be working on all areas of development—fine and gross motor skills, math and literary skills, and social skills. We will do this in a way to show that learning is fun.

We hope that your child will join us for a fun-filled year. Attached are forms for the coming school year. Completed forms should be returned to church office along with a \$50 registration fee.

If you have any questions or concerns, please feel free to contact me by calling Bowling Green Baptist Church at 804-633-6803 and leaving a message. I will return your call.

Again, thank you for coming.

Sincerely,

Linda Sullivan
Preschool Teacher/Director
